ahhowell did i specifically ask for a link to a illegal no-cd patch??
i was asking for if there is an official no-cd patch by the company

ahhoHey! I am a noob to renegade and i am just wondering that if there is a no cd patch out there that i can download. I just bought the game and it is already scratched :rolleyes:

Um, NO, you did not ask if there was an official patch.

Why would there be, anyway? Gaming companies don't LIKE pirates. There are no "legal" no-cd patches in existance! If you scratched it, either repair it or get a new one.
