yo i fuckin own all of you

Amd athlon 3200 2.0ghz
1.5gb ram
200gb internal ide hdd, 500gb and 320gb external usb
ati radeon x1300
creative live 24bit 5.1 sound card

its still chugging along.. been about 3.5 years now.

New desktop in 2months if i ever get around to actually building it
