Says the guy with the labrador turning on a bright background.

If we're going to judge people by their avatars on an internet video game forum, I declare that since your avatar says you break stuff, you have downs syndrome and routinely destroy things.

HURP DURP

One could say the same thing about judging moderators trying to do a good job.

@luv2pb maybe you're right.

I know, and believe it or not I completely agree, but certainly the avatar thing was stupid. Besides, Labradors kick ass.

Also, I'm sure I'm speaking for more than myself when I say Carrier does try too hard at times? Good mod overall but, uhh, this topic, for instance..
