I guesss its because this game has been out for nearly 7 years that some people say the rocket officers are fine.

But think about it this way only someone who is really good can use the rockets launcher effectively.

If someone who is new comes and plays Renegade then they will buy a rocket launcher thinking it will work well against tanks.

But ye its not a priority and it wasn't even a request I just started this topic so people can accidently hear what is being discused.
