If it's not too late, I'd like to submit my app.

* Basic HTML knowledge (<a> tags)
Extensive. I even know PHP.

* Filezilla FTP Client knowledge
Extensive as well. I use it at least once every couple days. Just depends on how much I have to upload.

* Winrar archiver knowledge
I know how to create SFX archives, rawr using best encryption, etc.

* Navicat MySQL software knowledge (is very easy to learn)
Yep. Even have it installed

* Basic image processing for making thumbnails and such in .png
format and sometimes .gif
jajaja
