The screenshot shows a Mozilla Firefox browser window displaying the website <http://www.tiberium-planet.com/>. The browser's address bar shows the URL, and the status bar at the bottom indicates "Done". The website itself has a dark blue header with the title "TIBERIUM-PLANET" in large white letters. Below the header is a navigation menu with links for "Home", "Forums", "C&C 95", "Tiberiansun", and "Renegade". A section titled "Affiliats" contains three columns of text promoting services like "The Planet Game Servers", "Command and conquer", and "Dedicated Game Servers". Below this is a white banner with the text "RELIABLE WEBHOSTING STARTING AT JUST € 0,40 PER M". Underneath the banner is a promotional image for "LAEUBIDE" featuring a man's face and the text "Your Modpage laeubi.de". At the bottom of the page, there is a "Tiberium-Planet : Latest news" section with a post titled "New jacked" posted by "Recon" on "20.02." at "04:31". The post content reads "Tiberium recently has a new jacked."
