Well gOD, I surely hope I will NOT cease to amaze you

Hi again all.

We are close to finishing V1.2 of the Nitro mod.

I hope for sure this will be the last version.

The war tomorrow (22nd of Februari) will be held, let's say 8 PM GMT again.

Just drop in when you can, maybe bring a few friends.

The war tomorrow will be held with the original V1.1 Nitro.

Next week the new mod will be released.

Thank you all for playing and for all the support we have gotten.
