C&C: Renegade
WarCraft II
C&C: Red Alert
Need for Speed II
Duke Nukem 3D

It's not even the gameplay I'm thinking of, just purely the memories they bring back and countless hours I've spent on these games.

Most of my games are on various consoles actually, not many computer games for me.
Almost all my favorite games are from the Super Nintendo.
What can I say, I'm a fan of the classics
