danpaul88 wrote on Sat, 21 February 2009 13:03Way too much crap in there, it just looks stupid. None of the textures fit with each other, the interior looks like a psychopath designed it, just randomly placing things anywhere and everywhere for the sake of cluttering it up.

I won't even comment on the advantage skins on all the weapon tracers and such, as I have made my opinion on those clear before.

Pretty much hit the nail on the head.

Also, isn't the point of being banned that you're unable to use this forum to communicate with others?
