YazooGang wrote on Tue, 24 February 2009 21:04Its really good. People, would you just stop acting like that. When scrin was around, you died for his wallpapers. Now, when he is being bad, you say that it sucks. Try it your own (most of the people dont act that way, so xqz me)  
Scrin is a good artist but sometimes what he does is excessively retarded. Like this. This is fucking retarded.

People voiced their discontent less when he was around because it wasn't worth the effort due to the fact that he is a pretty stupid guy anyway. I think it still isn't, but whatever. Nobody really 'died' for any of his work other than his little clan of butt buddies and yourself that worship him as a deity.
