He could be a real famous skinner if he releaed them skins, if he turned to good and made skins for the public to use, he would make a good name for himself instead of keeping it all to himself.

I'm not too sure that Scrin made ANYthing himself, anymore, actually. He tried to steal shit off me, lol... At one point he bitched at how I wrote lyrics on my HummVee, cos then he couldn't exactly steal it

Yeah, most of his shit is just crap he stole from other games or other people. Which is why it baffles my further when some people suck his dick at every chance.
