Subject: PT but upon re-entry after crash
Posted by IronWarrior on Sat, 28 Feb 2009 18:14:31 GMT

Not sure if this has been fixed or not, but I remembered it the other day when I was playing.

I'm talking about the PT bug that stops you from using the PT's after you had a game crash and rejoined the server, only way to fix that at the moment is to die.

Fixed in 4.0?
