genetix wrote on Tue, 03 March 2009 17:10 Why do you people speak all those weird languages? Learn our language, its much better.

On a more serious note there's simply more people that speak english then people that speak anything else. Not to mention I don't think Crimson speaks other languages and she runs the site.

<pedantic>

Actually, chinese is the most spoken language around the world

</pedantic>

But i know you meant just on these forums.
