woot i can.

Ok you can use Level Reedit to bring the map back into LE with everything it has now.<http://www.renhelp.net/downloads/LevelRedit.zip>

You should also get John wills LE here.http://www.renhelp.net/downloads/LevelEdit_Jonwil.zip

I will also add this you must temp everything you want to show up in your map.

and last but not least here you go have fun.
