Pay attention ladies cause here's the deal.

Reborn Gamers has been running for almost 3 years....almost. In honor of our 3 year anniversary we will be holding a weekend of gaming, giveaways, and get togethers. We cordially invite all of our members and all of their friends to our anniversary weekend.

There will be some fun events so we can reminisce about the times we have had in the past. The members of Team Awesome, yes I named the group so laugh it up, and myself have put together some great ideas and have a few surprises that we are anxiously waiting to reveal. One of the big draws to attending our anniversary weekend will be.....PRIZES!!!! As well as some random giveaways.

Some of the prizes include:

- A copy of UT3(Provided by Filak613)
- Your choice of one Steam based game from our list(Provided by Explodus & Cat-Mag)
- A copy of The Orange Box(Provided by Keth)
- 6 months of free web hosting(Provided by HostGator.com)
- And more....

The one condition to qualifying for a chance to win one of these prizes/giveaways is just being registered on Reborn Gamers Forums. Simple and easy. Some of the events we have planned will be revealed in the next few weekends. So stay tuned and make sure you keep the weekend of April 11th, and 12th free.

Renbattle will be hosting this. Please download our mappacks.
