Aucun wrote on Thu, 26 March 2009 18:01 I don't have scripts2.dll in my renegade folder

Thanks can you give me a link to the help site if you can

Well you would have to have scripts.dll in your renegade directory or your game would not work man lol.

but anyways here some links for you k.

Sure it's over here >>><http://www.renhelp.net/index.php?mod=Tutorials>

and scripts.dll.s(depending which version scripts you mod with are over here

>>><http://ren.game-maps.net/?act=view&id=828>
