FragaDemoman, Trying to get something of value out of your post is like trying to squeeze orange juice out of an apple. You couldn't get a clue during clue mating season in a field of clues if you smeared your body in musk and did the clue mating dance. A long period of non-posting would be most welcome on your part. You bring to mind a quote from Josh Billing: "Doesn't know much, but leads the league in nostril hair

Oddly enough, he sounded like less of a fucktard than you did. His tard post was concise if nothing else.
