btw i am against animal cruelty , but there is a difference between cruelty and life, did u ever see how lions kill their preys? is that not cruel?

what about hyenas , they attack from behind and start tearing away at the back (ass area, probably eat the balls first)

is that not cruel

Amen.

Anyway, I can't help but thinking this "cruelty" is a part of a vast minority out there and is just fodder for PETA.
