he is not advertising anything, he just wanted to share his religion with you guys.

genetix wrote on Thu, 29 January 2009 05:09To be nice, I'm not interested in your religion. I doubt you will find anyone here who is. Advertising isn't respected.

it is my religion too.

what i dont understand is, none of you will be that destructive if someone else would post about atheism, or satanism. what is worse is this is obvious from some of you guys' signatures.

we always need empathy, especially in these days.

thank you.
