Well, Most of u have called me an IDIOT- or a Fucking bitch.
I always used renguard until less than a month ago
Also I do not know cheat name removed.
Also I dont cheat in games, all my stats will prove that.
I try to find out how things work ,
As far as i am concerned, pepl I play with dont think I do
and thats good enuff for me because I dont cheat in games.
At least I can call them friends.
Also Ive have given many pepl file name of ref cement which alters alot more than bldgs.
I have reinstalled ren several times recently and dont have those skins in cuz I lost em all. Ask
wiloAlso to ZACK, U screwed up
not me.and I did have scripts 3.4.4 in my system.
what happened I dunno.
But u pepl got to get a life.
U make me sick.
How many of u, including mods, and admins,
know how to catch a cheater unless you know the cheat? HMMM?
I have caught a few myself.
those of u call me an idiot.or otherwise. u know where u can go.
Ive made many skins for pepl and who knows whos using em.
I send em email em post em and I get returns on those.
If any 1 uses em Ill post em if not i dont.
SO STFU!

BTW some of u know an awful lot bout cheats? HOW?
U seem to know all about how to get around it too HOW?
And why after so many skins and movies and such (if I used it so much) has it not shown up
before? HMM HOW?
U freeking Hypocrites.
R u Mods? ru Admins? do u have a server?
WWho the frak r u to call me a cheat when u dont know me never played with me?
wher are u mods BITCHING about real cheats and persons on here
using personal insults. GFU!
Im not going to explain to each of u. I got better things to do
