ve Removed all my skins and posts from REN forums

Due to their negativity regarding my skins and posts anyway.

If u would like they are available elsewhere like RENBATTLE.NET

Bunch a dam Hypocrites if U ask me.

They think what they want, But I dont have to listen to it LMAO

I give ema name and it doesnt matter.

Anyhow, I will continue to play the way I always have and make skins,

They just wont get to see em or use .

I found some were examining my photobucket site and you tube sites

and as far as I am concerned, they werent invited.

so to piss them off I removed stuff. If they were that efficient at hunting down cheats, they might
find themselves the targets LMAO

Ah, no wonder you're an idiot. I get it now. You live in Ohio. That explains it.

What the fuck is IN Ohio, anyway? From experience, the entire state is basically just a toll road
and goddamn Cleveland. What a shitty state.
