IMO msnbc is the leftist equivalent of fox news

seriously, you got the ed show, chris matthews, olbermann, and maddow back to back to back on weeknites.

CNN is the most middle of the road station these days of the three. you're extremely mistaken if you think lou dobbs is ogm lieberal. he is a real rebel you know, like cheesesoda, he hates everybody and complains about everything.

seriously though what do some of you guys think of glenn beck, he's sounding quite tinfoil-hat these days
