"Soap on a Rope" is very disappointing. The solo is decent, I suppose... better than you'd hear from most bands, but the song is so boring and doesn't even push any boundaries, even in the slightest. From a supergroup, you'd expect... more.

"Down the Drain" is considerably better, still boring, though. The second solo is actually impressive, something more along the lines you would expect from Satch. Still, I don't want to wait until 5 minutes into a song before I can even get into it.
