And i dont think that the non-belivers of islam should get punnished. And i dont think that allah would of say that. If you are a muslim, then you should stop being one right now since you obviouly don't know the qur'an.

[40.70]Those who reject the Book and that with which We have sent Our Apostle; but they shall soon come to know,

[40.71] When the fetters and the chains shall be on their necks; they shall be dragged

[40.72] Into boiling water, then in the fire shall they be burned;

@Spoony: Before you spout blatent bullshit like that, consider that no one has found proof that God/Allah does or doesn't exist or that Muhammed couldn't write.

Muad Dib15 you are the most stupid creature this world and this community ever seen. obviously you have no idea about quran nor arabic. even posting this about you is waste of time.

and to the people who thinks its the muslims who are killing the civilians in iraq: innocent 100 civilians werent being killed in a car explosion every day before the occupation.

its all about \$, period.

Yeah, you're right, it's entirely America's fault that the Iraqi insurgency see's it fit to kill scores of their owncivilians with suicide bombing tactics, hunt and execute anyone who cooperates with coalition forces, torture and execute captured American soldiers for show and strap bombs to mentally deficient women and babies.

Hail the glorious Iraqi freedom fighters! Death to the American imperial scourge!!
