Altzan wrote on Sat, 18 April 2009 20:51 Maybe he doesn't want to change it for them, and he's giving permission for others to alter it.

I do admit some here don't know how to edit the textures, but it's pretty easy...

I did keep the yellow things as .TGA, because most ppl don't know how to install the DDS plugins!

Now to everyone, edit the yellow texture/s how ever you want, you can also upload the new texture here,

I DONT CARE about that.
