Goztow wrote on Tue, 21 April 2009 14:43I absolutely agree! However, compared to the hundreds of released fanmaps, it's a very low %.

True, and it's somewhat tricky to find the good ones in there. However, just ten new maps would *really* make public more interesting. That, and when the autodownloader IS out, I'm sure some people will put time & effort into making more maps. Most of course will be sucky, but some might be good.
