Oh and, to be honest... I think the water in that Renegade X screens looks ugly as hell. But whatever, good luck "killing Renegade".

First off, Fobby is going to see your post and have a fit. Why? Because that was completely uncalled for. He has said so, so many times that Renegade X's goal is not at all to kill Renegade. He being a longtime fan and member of the Renegade community, I think it's quite easy to believe what he says.
