[sgthe0ne]FRAMER428[sgthe0ne] Are the top 10% of GSA ppl better than the top 10% on WOL ?

definitely not, played the "top 10% of GSA", they suck compared to top 10 in wol

I hope your not referring to the GSA vs WOL match. I'd say that hardly constitutes WOL top 10% vs GSA top 10%. ESPECIALLY since in all the screenies I've seen posted generally contained a bunch of GSA no-names IMO (save like 2/3 ppl).

I came to WOL for the sole pupose of having all these leet WOL players own my like a four year old girl, guess what ? It aint happening like some of yall play it out. Four months of WOL player still no-super leet gameplay...how long do I have play on WOL before I get to bask in the glory of

If your one of those "super-leet" WOL peeps by all means, toss your WOL name up and you'll know when I've found you.

The One
