Just stop thinking, plx. And people who don't use free aim shoulnd't vote on this. Those who do use it (to a skillful degree at least) I'm pretty sure would all be against this. (k maybe 99%.. lol)

Now I see the edit. I lol'd.

Seriously, nothing is wrong with it :/ People who have been using it for a while, and use it everytime they play the game know it. Unless you are terrible at using free aim.. ><
