You sir, just failed. You happen to be talking about one of Renforum's greatest celebrities!

If you still don't know what I'm saying, then I shall spell it out. He, as in the person you are referring to, is the one and only "I DESLIKE U!" guy.

As for the thread, I have never heard any of their songs and have no interest in doing so. I will inadvertently have to hear 'Cowboys from Hell' when Guitar Hero Smash Hits is released, though.
