first you all whinge about him. now you expect him to do what you want, you want the skins hell yeah go looking for them, if you don't want them stop whingeing

well, he DOES have a point. (glock)

all im saying is MAKE UP YOUR GOD DAMN MIND, either you think hes a hacker and you hate him, or you enjoy his work and you think he's a good guy, DON'T SIT ON THE FENCE WHINGEING EVERY 2 F***ING SECONDS

put up or shut up

EDIT: not intended at you error or even (to an extent) you glock but to EVERYONE who continues to bitch, make up your mind and stick with it

Even a blowhard like you should know how ridiculous it is to just provide another forum's home page address as a download link.

If I came to the St0rm forum and posted a screenshot of a skin I made and wanted everyone to use, and gave the download link as www.renegadeforums.com, wouldn't you go mad? Would you then want to go through renegadeforums.com to find the skin I wanted you to use? You would be lying if you said "yes."

What annoys me the most about you is your arrogance, blatant hypocrisy (in failing to see the point of GLOCK's post) and buttrubbing to support your friend that goes flying over the roof everytime you post.

EDIT: And what GLOCK and ErroR posted had NOTHING to do with queen and his hacks.
