R315r4z0r wrote on Sat, 02 May 2009 19:28l went onto youtube and listened to Cowboys from Hell.

HOLY CRAP! That song is so incredibly bad that I can't even think of a metaphor to compare it to!

Seriously, I never thought it was physically possible to make "screaming" music sound bad. That is, until I heard this song.

They are now tied with System of a Down on my "Bands that are annoying to listen to" list. It's early 90's groove metal. It's awesome stuff.
