You could find our Holidays' trailer as well as more media and information here:

There are other total conversion mods as well:

Red Alert: A Path Beyond (ready for download): <http://www.apathbeyond.com/>

Red Alert 2: Apocalypse Rising: <http://www.apocrising.com>

Command & Conquer Reborn: <http://www.cncreborn.planetcnc.gamespy.com>

Also, we haven't given a release date, so I wouldn't expect it to be released in a couple weeks. But we are working very hard on it on a daily basis, and you can expect an update very soon.

There's no point. No matter how hard you (being any of us) try.
