Well NO WAREZ is one of the main rules here that is taken very seriously but why don't you guys host a LAN game, because you have a stolen copy of renegade you probably will not be able to play on WOL because you do not have a valid serial.

Also you could however play on gamespy thought.

Since you have a bad serial you should read this thread:

<http://www.renegadeforums.com/index.php?t=msg&th=20576&start=0&rid=24481>
