don't know if you noticed but most "gamers" (emphasis on the "" marks)look at graphics then game-play.. this would bring new players to ren, instead of them just lookin' at it and sayin' "LOLOMGOMG THAT LOOKZ LIKE NINTENDO GAMEZZZ IT PROBABLY SUX BIG BLUE BALLZ LOLOOLROFL1"

the fact, that Renegade still is one of the best games game-play wise, makes me sad that there is so few players left.
