As for the topic, I can't understand what you are trying to say.. (or I am, but it just doesn't hold any real 'discussion value')

Are you trying to say simply 'why can't you just say he died because he died and not for the sake of anyone else?' Because if you are then the answer is yes.. obviously. But what exactly are you trying to get at with that? So you deny that he died for your sins.. what's your point?

we should always talk axiom
