My younger brother and I played Sunset Riders and Star Fox (both SNES) last weekend, and it made me think, how practically every gamer has favorites from video game history, despite their age.

So, what are your favorite games from bygone consoles?

My List:

NES:

Metroid

Final Fantasy

Mario

SNES:

Super Metroid

FFIV

FFIII

Sunset Riders

Star Fox

Mario (again)

Zelda

N64:

Mario 64

Zelda

Perfect Dark

007

Star Wars

Mario Kart

Armorines

TurboGrafx-16:

Military Madness (Nectaris)
