Im looking For a Bunch of Sites and mods that are looking for a way to spread thier name!

Im making a Model which will show off your AD. Ill put it Up with update now and then. Basically you can put it in your map and just show off.

Price? Free!

Requirements? Make it a Square and doesn't matter the size, but not over 400x400 pixels!(bigger=better.)(you can use your Sig things, but it might be blurry.)

Please just Post it here Or Msg me on MSN. name: Laser2150

Also i in a way have to thank Halo38, it was a inspiration.

Scoll For Pic of how this will work.

Edited.
