[View Forum Message](#) <> [Reply to Message](#)

when you press F8 in game there pop ups a box where you can type things like extras fnkqrrm or hud 0

but

my hud 0 command wont work when i type it

there is just a message that i cant write things with this box

(thats the reason why my last ss were so ugly)

how i can fix it hope anybody knows it

and here is a ss when you dont know what i mean.
