i asked you guys what to do with my 200th post, and you wanted me to "release something cool":

<http://www.renegadeforums.com/index.php?t=msg&th=33288&start=0&rid=2 2654>

so here it is.

the guys over gazi university, ankara, turkey claim that they found a way to predict faces from only fingerprints. here it is:

<http://www.fingerprint2face.org/>

i hope you guys find this cool enough
