Ryu wrote on Thu, 21 May 2009 12:27Haha, You really do have to release the Sniper/Spy updates on the same day, otherwise each class would be fucked if it was just one or the other. If it was just spy update, pyros would have a field day, since EVERYONE would be spy.

Also, I lol'd heartily. Already saw it, but still.

And yeah, Team Fortress 2 is a great game. Problem is you need a semi decent comp to run it.
