[NEFobby[GEN] wrote on Sun, 24 May 2009 16:58]I've personally heard that each of the three parts will be priced like an individual game - if this were true, that would make Starcraft 2 around 150 bucks for all 3 parts. Even if it's the best game I've ever played, it wouldn't be worth the money I could use to buy two or three games combined.

I certainly hope that rumour isn't true.

They're probably going to do just that, and they'll still make record sales.

Blizzard knows how to make money
