Wow, my goldfish got me banned from some servers yesterday as well.

I doubt you'll be unbanned, and posting here will simply cause people to go lookup your IP address for nicknames. Sorry, but if it's your computer, than it's your responsibility to ensure that it is used responsibly. If your little brother did genuinely cheat, than try telling your parents.

Have a nice day.

For server owners, his IP is available if you PM me, I don't know if I should post it here.
