no it was required by my comp to work so im pretty sure its microsoft

Yeah, and if your computer says you should do something, you should do it, amirite? You have a virus, by the way, please download my three personalized anti-virus programs to clean them out and try my FREE* PC scan to fix errors.

Also, get Chrome. It's made by Google, so you know it's good. Firefox is for people who like using their all their RAM to browse the internet.

here we go again about pointless debates which browser is better.

Yáll nagging shit Bout firefox is tha broWser, now gooGle chrome comes out you bitch about firefox.

I never liked Firefox. Even before Chrome came out, I was an Opera user.
