DanteC&C_CTF_Complex ?

god that map is fun, especially if you have more than 4 players.

Is that the one with the vehicle blockers that you can see? (I don't know, just asking)...

bigwig992CTF Forts

or

Conquest Winter

both by somerhino and available at <http://www.drireign.com>

Conquest Winter looks AWESOME, but only one way into the base; Found out it doesn't play well on BCServ4. Forts... Maybe.
