Considering how many people actually believe in religions, I'm guessing it would go far (if you create a nice plot, of course.)

It doesn't even have to be a "nice plot" or even convincing. It just needs to be appealing. Also, you have to start with children. I mean, just look at how many kids were hooked into Pokemon, Neo Pets, Harry Potter, and now the Twilight books. None of them are "good" plots by any means, yet wildly popular. Again, the secret: kids.
