Jeroenganges wrote on Sat, 06 June 2009 16:02I don't think serial ban is a good idea as lots of people don't have their own serial but got a serial from the internet as they can't buy the game anymore. (Yeah I know todays ban works on serial 2)

You can as far as I know still buy the game. At least you can by the first decade and such which still include Renegade.
