Spoony wrote on Thu, 11 June 2009 04:13 yet it claims to've been inspired directly from the same god, therefore it must supercede christianity in the same way that christianity supercedes judaism. because islam claims that although jesus was an important prophet, mohammed was a more important one who received the "last revelation". it therefore doesn't matter whether it's based on anything christ said.

are you following me? you can't debunk someone else's religion just by pointing out that your own unproven religion doesn't mention it.

fyi i'm the REAL last prophet and sorry guys, god wants me to tell you that the whole mohammad/jesus shit or whatever the fuck we were talking about before was bullshit a test of faith. please consult the book of scientology for your new instructions.
