Of course release it!! I would love to use this!!!!

I don't mean to be rude, but why do people ask if they should release something? Why not just release it instead of wasting your time with this kind of pointless thread? Sorry, it's just annoying, especially with something so cool to be released.

bakerrrr wrote on Wed, 17 June 2009 19:35Awesome, maybe cut it down about before you release though. Like those pictures of the character's faces aren't needed. They could be used for backgrounds and such. Not just for Renegade skinning.
