Brandon wrote on Fri, 19 June 2009 18:24Also, a lot of the old maps in Uber Map Pack just are ugly. They should've called it Uber Fail Map Pack. I have some of the nicest maps (in my opinion) uploaded here. Three pages of individual map downloads and I'm redoing my map pack at the moment so it's down for now.

Only thing I fear is when the next patch comes out and it auto-downloads maps for you that it would download those super ancient and ugly maps in uber map pack. :/

Shameless self-promotion.
